AN OPEN LETTER TO OUR DEDICATEE

To A Great Friend:

This is our humble effort to show our appreciation for your 15 years of leadership in our school.

We shall long remember the fine quality of your traditional Junior Projects. We shall never forget the wonderful times you have shared with us.

You have made our four years in high school enjoyable and pleasant ones. Through your encouragement, consideration, and understanding, we, the Senior Class, shall meet the future with greater capabilities and enthusiasm.

You have woven into our high school a pattern of wisdom and fair play not found in textbooks alone, but also in the strength of unity, cooperation, and purpose. You have our respect and gratitude.

In dedicating our yearbook to you, we want to say, "Thank you, Mr. Robert I. Gregg!"

The Class of '61

FOREWORD

In days to come we hope this book will hold many cherished memories for you.

I would like to thank our sponsor, Mrs. Shields, and the Tiger Staff for their cooperation and fine work.

Now we present to you, the '61 Tiger.

This year the high school organizations were busy ones, with regularly scheduled meetings during homeroom period.

The Pep Club was a big component of our outstanding cheering section at ball-games. The school athletes belonged to the "C" Club. The Safety Patrol was on hand daily to help direct students in traffic. The Tiger Staff worked hard towards getting out the newspaper, and the Tiger Staff labored valiantly to meet the publisher's deadlines for the yearbook.

The Band and Chorus were on call for several programs throughout the year. A "once-in-a-lifetime" thrill came when our Band was invited to participate in the Mardi Gras Parade at New Orleans this year! However, a state high school association law prevented them from going.

Future Homemakers of America, always one of our more active groups, sponsored varied activities this year. The President, Sandra Byford, was Vice President of Section III of F. H. A. in Illinois.

Besides being busy with school government, the Student Council participated in area meetings, with Kay Rawlinson serving as President of Area II, Section I, Student Council meetings.

Our newest group, the Beta Club, which was organized to accent scholarship, gained recognition by having two members serve as state officers of Beta. They were: Paul Wake, State President, and Robert Perkins, State Secretary. Our club took a most active part in the Beta State Convention.

Over the past few years the TIGERS, under the guidance of Coach Joe Capshaw, have earned themselves quite a name in sports in this area. The Capshaw men carted off the Little Ten Conference baseball trophy in the 1959-60 season with a 10-2 won-lost record and own a 5-0 Conference-leading record for the current campaign. The TIGERS have left their marks in basketball circles, also, as they have held claim on the District Championship for three years by capturing the trophies at the ends of the '59, '60, and '61 seasons.

The players, along with the Tiger fans, have never failed to receive favorable comments from opposing schools and officials for their fine play and excellent sportsmanship in attaining these high marks.

ADVERTISERS

TO THE GRADUATE

Beware of the Deadly Sitting Habit!
Or if you sit, be like the Rabbit,
Who keeps forever on the hump
By secret springs beneath his Rump.

Man was not made to sit a-trance,
And press and press and press his pants.
But rather to circulate among his kind,
And find a chance to use his Mind.

And so, Young Man, avoid the Snare,
That lurks beneath the cushioned chair.
A little ginger 'neath the Tail,
Will oft for lack of brains Avail.
